

Property

Hood Road and Bell Street is a total of 1.66 acres comprised of 5 parcels each zoned RD20 (high density housing 20 units per acre).

Improvements

Site work has been conducted with completion of a paved road and installation of underground utilities for a multi-family housing development.

Location

Hood Road and Bell Street is located in the Arden Arcade neighborhood consisting of single and multi-family residential housing, retail and office properties. The location offers residents excellent shopping, entertainment and recreational opportunities.
